### Autumn car tips...

With the change in the season, here are a few tips to keep you safe on the road this Autumn.

1. **Check your car fluids!** Don't be caught out on a frosty morning. Make sure your antifreeze is topped up.
2. **Keep a check on your washer fluid** to ensure you can always clear your screen, should the weather change or dirt from the road obscure your vision.
3. **Check the battery.** On average a car battery should last around 4 years. So, if you think your car could be in need of a new battery, make sure you change it before the winter weather sets in. You don't want to get stuck in the cold! **Here at Jordan Motors, we can check your battery for you.**
4. With the night's drawing in earlier it is really important that you **make sure your lights are fully operational.** Just a quick check before heading out will ensure you are safe for the journey ahead. Don't forget this includes your fog and hazard lights too.
5. **Items to keep in your car.** Should you breakdown or be caught in a lengthy traffic jam make sure you have a few essentials in the car with you, such as
  - Warning triangle  $\Delta$
  - A flask containing a hot drink or water  $\cup$
  - Torch
  - Chocolate! We consider this a must, something to snack on and keep your energy levels up!

### Leicester Business Expo

We will be exhibiting at the Leicester Business Expo on the 8 October at The King Power Stadium. It would be great to see you there!

### Santa Run 2019

We are in the process of planning the Santa Run which takes place in Narborough this December.

As always, we have a great turn out and this year our chosen charity is Rainbows Hospice. Last year Marshall Honda in Narborough, Clare of Northfield Wealth Management, Lisa of SHB Solicitors and Kate of Boostique kindly helped us in providing selection boxes for the Santa Run. **We are calling for help again this year. If you can kindly donate one or more selection boxes it will be greatly appreciated. Please contact Julie Jordan Spence for further details.**

Keep an eye on our **Facebook page** and the next Newsletter for the confirmed Santa Run dates.
